RE: 3828 Duck Avenue (permit application # T18-9119)

FROM: Karen DeMaria, City of Key West Urban Forestry Manager

An application was received requesting the removal of **(1) Green Buttonwood tree**. A site inspection was done and documented the following:

Tree Species: Green Buttonwood (Conocarpus erectus)

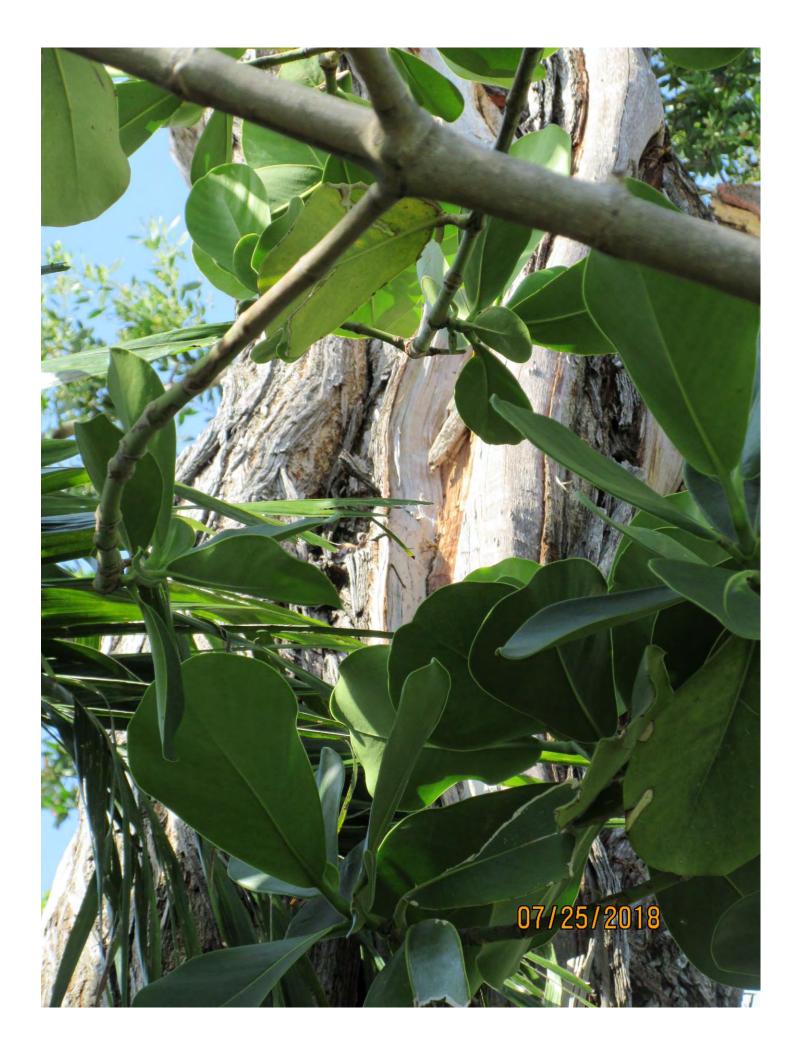

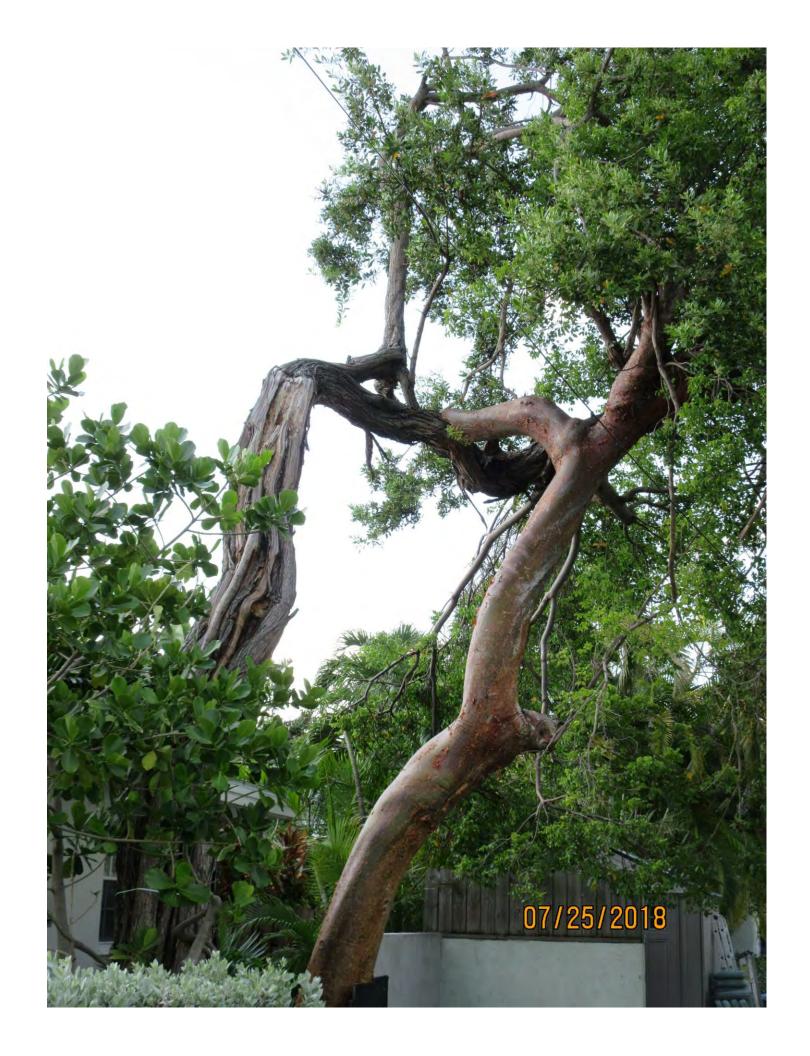

Diameter: 23.5"

Location: 50% (against neighboring native canopy tree, along property line)

Species: 100% (on protected tree list)

Condition: 30% (very poor, half of canopy torn off in hurricane, old damage

to trunk, poor structure)
Total Average Value = 60%

Value x Diameter = 14 replacement caliper inches

Recommendation: Recommend approval of the removal of one (1) Green Buttonwood tree at 3828 Duck Avenue to be replaced with 14 caliper inches of dicot or fruit trees from approved list, FL#1, to be planted on site.
