This office reviewed the special event application for the TRIKW to be held on Atlantic Blvd. December 1, 2018. The following conditions apply:

- **Road closures need to allow one lane open for emergency vehicle.**
- **This year's event will require an EMS crew standing by at the Start / Finish Line for the following reasons listed below.**
 - Closing and/or altering of roads and traffic for the event that may hinder the response of emergency vehicles.
 - High volume of runners participating in a competitive endurance event.
 - High potential for this event to cause strain on Fire and EMS resources due to the participants falling ill or becoming injured while participating.
 - Previous events of this nature have required the emergency response of Fire and Rescue units.
- **Event organizer is responsible for two rescue personnel @ \$40.00 an hour. They will be present for the entire event to monitor all participants of this competitive endurance event.**

If I can be of any further assistance please contact me.
