Staff Report for Item 7**

To: Chairman Bryan Green and Historic Architectural Review
Commission Members

From: Kelly Perkins
HARC Assistant Planner

Meeting Date: January 29, 2019

Applicant: Anthony Sarno

Application Number: H2018-0024

Address: #420 Grinnell Street

Description of Work:

Demolition of ~~side~~ rear wall of accessory structure

Site Facts:

The property at 420 Grinnell Street contains a main structure, which is listed as contributing resource in the Key West Historic District survey, and a non-historic accessory structure that was approved by HARC in 2004. The proposed project is to increase the size of the existing non-historic accessory structure by 62 square feet.

This project received a variance from Planning Board on November 15, 2018.

Ordinances Cited in Review:

Sec. 102-217 (2): Demolition of non-historic or non-contributing buildings.

Sec. 102-218 (b): Criteria for demolitions.

Staff Analysis

This Certificate of Appropriateness proposes the rear demolition of a non-historic accessory structure. Staff believes the proposal meets the following criteria:

- (1) The demolition will not diminish the overall historic character of a district or neighborhood;
- (2) Nor will it destroy the historic relationship between buildings or structures and open space.
- (3) This demolition will not affect the front building façade.
- (4) Staff does not believe the wall that is proposed to be demolished will qualify as contributing as set forth in Sec. 1021-62(3).

Therefore, this request can be considered for demolition. Only one reading is required for demolition.

(2) Or explain how the building or structure meets the criteria below:

(a) Embodies no distinctive characteristics of a type, period, or method of construction of aesthetic or historic significance in the city and is not a significant and distinguishable building entity whose components may lack individual distinction.

Nothing in this application is intended to alter the authority of the Building Official to condemn for demolition dangerous buildings, as provided in Section 102-218 of the Land Development Regulations and Chapter 14 of the Code of Ordinances.

(b) Is not specifically associated with events that have made a significant contribution to local, state, or national history.

(1) Removing buildings or structures that are important in defining the overall historic character of a district or neighborhood so that the character is diminished.
The proposed rear demolition is to an existing 12 year old cottage and will not alter the historic character of the neighborhood.
(2) Removing historic buildings or structures and thus destroying the historic relationship between buildings or structures and open space.
The proposed demolition is to the rear of a cottage built in approximately 2006.
(3) Removing an historic building or structure in a complex; or removing a building facade; or removing a significant later addition that is important in defining the historic character of a site or the surrounding district or neighborhood.
