Re: Transient License Transfer Application – 503 and 505 Duval Street, Key West,
FL 33040

Mr. Wright:

Please find enclosed a transient license transfer application for the transfer of two (2) unassigned transient licenses and Rogos, previously associated with Seaside Hospitality Corp., originally from the Saint 21067 (“Sender Site”), to 503 and 505 Duval Street, Key West, Florida 33040 (“Receiver Site”), which is located in the HRCC-1 Zoning District. The sender site information on the attached application notes that the license is in unassigned status and the configuration of the structure is unknown. This application is made pursuant to City of Key West Code Section 122-1338. The transfer of the unassigned transient licenses and Rogos will be used for the development of two transient residential units at the Receiver Site. The receiver site currently contains two market rate residential units, therefore, the underlying Rogo units will be donated to the City as part of the beneficial use pool of units.

If you have any additional information or have any questions regarding either the Sender or Receiver Site information, please do not hesitate to contact me.

Sincerely,

Richard McChesney
