

Chairman's Report - Goals for 2019

#1 Tighten up the existing ordinance. I want to brainstorm for 5 minutes on what we need to do to make this ordinance change. What is the process? Felix and Liz are in charge. Put together a strategy.

4 Establish an AIPP 501c3. We heard from Mark. It's OK for us to get our own that has nothing to do with the City. I want to get this started and put Matthew and Rosi in charge. We will park it with the Community Foundation.
