

Transportation Report

Tim Staub

- **5th Annual Green Commute Challenge:** Challenge up and running with 124 active participants as of 4/4. Participation is expected to grow by the final day of the challenge as participants input their data.
- **Commissioners on the Move:** Working with Commissioner Lopez on another Bahama Village History Bike Ride, date TBD.
- **Bike Ped Master Plan:** Bicycle Action Plan in editing stages, will present to Sustainability Board next week. Budget almost complete.
- **Mall on Duval:** Commission approved its extension, unable to attend meeting on 4/3, will obtain notes. Spoke with Brian Platt, Business Administrator for Jersey City, for a moment on 4/2 regarding their pedestrian mall; rescheduled call for next week.
- **Health Foundation Grant:** Due in June. Exploring options.
- **TCT:** TAF budgeting for Bike Ped Master Plan recc's and FY19/20. Sitting down with Finance soon.
- **2020 TDP:** Need more people to take survey: [Public Input Survey](#)
- **FDOT Grants:** Presented 4/3 in Miami for FDOT Transportation Alternative Program grant for bike amenities at high use Transit stops, \$551,000. Will have to lobby to get that money in next years budget.
- **Monroe County:** Interested in joint funding additional LKS bus. Need to send formal letter soon for budgeting.
- **Bike Florida grant:** Working on ordering the last item.
- **Field Day Friday:** Passed out my card to the shops visited on 3/22, Wrapped up visiting the remainder of the shops and engaging with those active in the bicycle rental, sales, and repairs business. Received valuable input that helped guide work on the Bicycle Action Plan
- **Escooters:** Alison and I spoke with the mayor and provided input regarding the potential of an scooter service on the island.
- **Ebikes:** Working on a living document for the city to work from that contains relevant information regarding legislating ebikes and recommendations.
