Further Planning/Research Needed: 7

R	Add Parking Enforcement	Run the numbers How to increase ticket payment
R	Courthouse lot: residential stickers only after 5	What is most palatable? Where do Monroe residents park?
R	Tour Bus Parking	Talk to the buses Pilot project
R	15 Minute Parking, 8am-8pm	Imp: Signage and paint. Design sign. Cost: \$35/sign. More Planning Needed. John has #. Updated licensing agreement with teeth. Make them buy transit passes? Add to guest agreement and website. Have them buy passes: \$100/month. Fleming is an issue.
R	Expand Meters to 200 block of Elizabeth St.	Road is too narrow to stripe for parking, unless you remove parking entirely from one side. Revisit later.
R	Truck Route changes	Imp: Signage & Publicity Cost: \$50K Info gathering stage. Add hours and size to plan. # signs, Cost per sign? ROW permit. Cost of repaving if the heavy traffic is too much. What are the underlying road bed conditions. United is falling apart,
R	Increased Speed Limit Enforcement	Needs: Meet with KWPD. Speed reader signs. Cost: \$2000 each. How many do we have? Ticketing ability? Speed surveys?

Not Considered: 3

X	Scooter parking in designated areas only	Not legal
X	Move Parking personnel closer	Not possible at this time
X	Increase thermoplastic budget	Not the limiting factor
