(1) A local government may not require a notice, application, approval, permit, fee, or mitigation for the pruning, trimming, or removal of a tree on residential property if the property owner obtains documentation from an arborist certified by the International Society of Arboriculture or a Florida licensed landscape architect that the tree presents a danger to persons or property.

(2) A local government may not require a property owner to replant a tree that was pruned, trimmed, or removed in accordance with this section.

(3) This section does not apply to the exercise of specifically delegated authority for mangrove protection pursuant to ss. 403.9321-403.9333.

Section 2. Section 163.3209, Florida Statutes, is amended to read:

163.3209 Electric transmission and distribution line right-of-way maintenance.—After a right-of-way for any electric transmission or distribution line has been established and constructed, no local government shall require or apply any permits or other approvals or code provisions for or related to vegetation maintenance and tree pruning or trimming within the established right-of-way. The term "vegetation maintenance and tree pruning or trimming" means the mowing of vegetation within the right-of-way, removal of trees or brush within the right-of-way, and selective removal of tree branches that extend within

51 the right-of-way. The provisions of this section do not include
52 the removal of trees outside the right-of-way, which may be
53 allowed in compliance with applicable local ordinances. Prior to
54 conducting scheduled routine vegetation maintenance and tree
55 pruning or trimming activities within an established right-of-
56 way, the utility shall provide the official designated by the
57 local government with a minimum of 5 business days' advance
58 notice. Such advance notice is not required for vegetation
59 maintenance and tree pruning or trimming required to restore
60 electric service or to avoid an imminent vegetation-caused
61 outage or when performed at the request of the property owner
62 adjacent to the right-of-way, ~~provided that the owner has~~
63 ~~approval of the local government, if needed.~~ Upon the request of
64 the local government, the electric utility shall meet with the
65 local government to discuss and submit the utility's vegetation
66 maintenance plan, including the utility's trimming
67 specifications and maintenance practices. Vegetation maintenance
68 and tree pruning or trimming conducted by utilities shall
69 conform to ANSI A300 (Part I)-2001 pruning standards and ANSI
70 Z133.1-2000 Pruning, Repairing, Maintaining, and Removing Trees,
71 and Cutting Brush-Safety Requirements. Vegetation maintenance
72 and tree pruning or trimming conducted by utilities must be
73 supervised by qualified electric utility personnel or licensed
74 contractors trained to conduct vegetation maintenance and tree
75 trimming or pruning consistent with this section or by Certified

Section 3. Section 70.002, Florida Statutes, is created to read:

70.002 Property Owner Bill of Rights.-Each county property appraiser office shall provide on its website a Property Owner Bill of Rights. The purpose of the bill of rights is to identify certain existing rights afforded to property owners but is not a comprehensive guide. The Property Owner Bill of Rights does not create a civil cause of action. The Property Owner Bill of Rights must state:

PROPERTY OWNER

BILL OF RIGHTS

This Bill of Rights does not represent all of your rights under Florida law regarding your property and should not be viewed as a comprehensive guide to property rights. This document does not create a civil cause of action and neither expands nor limits any rights or remedies provided under any other law. This document does not replace the need to seek legal advice in matters relating to property law. Laws relating to your rights are found in the State Constitution, Florida Statutes, local ordinances, and court decisions. Your rights and protections
