12. Description of Use and Amendment to Special Exception Requested:
Property Owner is requesting an Amendment to the Special Exception granted to the property owner (Resolution 2018-20, copy attached) to permit the sale of alcoholic beverages within 300' feet of church, school and cemeteries. Applicant's property is located approximately 200' from the church, school and cemetery activities occurring on the property at 724 Truman Avenue owned by the Archdiocese of Miami and locally occupied by the Basilica of St Mary Star of the Sea. This Special Exception Amendment request is to allow the food service Tenant of the premises to operate under the previously granted Special Exception and is not for the purposes of operating a bar/lounge. The Tenant is Fernandys Café, LLC, and has operated a food truck on the property since April 2019 and was also the operator of Sandy's Cafe for 20 plus years.

Property Owner has Conditional Use approval for outdoor restaurant seating on this property where the food service is via food truck and the Owner/Tenant wants to offer beer and wine for sale to its patrons.

The Planning Department and Planning Board process allow for the transfer of this Special Exception by application, public hearing and approval by the Planning Board.

Please note that any special exception granted hereunder may be approved with conditions, which conditions shall be monitored in accordance with Section 18-610. The exception shall be to the applicant only, shall not be transferable and shall only be effective in conjunction with the use(s) specified in the application. The Planning Board recognizes public input and how the applicant has demonstrated a "good neighbor policy" by contacting or attempting to contact all noticed property owners who have objected to the application, and by addressing the objections expressed by these neighbors. Further, the Planning Board can consider any other factors they determine relevant to the public's health, safety and welfare.

The Planning Board may only grant the requested alcohol sales special exception after considering the following criteria. Please provide a response as to how this proposed use and exception meet or fulfill these criteria:

13. Demonstrate compatibility with surrounding existing uses:

Within 300 feet of this site there are located at least 8 restaurants with alcohol sales, commercial and residential use, (transient and non-transient) government offices and banking institutions. Many of the food service locations with alcohol sales are tenant operated, not owner operated.

14. Demonstrate the extent of conflict between the proposed use and the hours of operation of the facilities:

Food service with beverage sales would operate between 11:00 am and 10:00 pm week-nights and 11:00 am until 11:00 pm weekends, holidays and special events.

15. What are the mitigative measures proposed to be implemented by the applicant:

Tenant/Applicant agrees to limit alcohol sales to beer and wine (no spirits). Hours of operation weekdays from 11:00 am to 10:00 pm, weekend closing at 11:00 pm. The property is substantially enclosed by 6.0' chain link fence. Applicant will follow Florida ABT regulation on alcohol sales occurring in conjunction with food sales and will abide by all conditions stated in Resolution 2018-20 and is receptive to any additional suggestions for mitigation made by Planning Staff, Planning Board or from neighborhood input.
