WHEREAS, this matter came before the Planning Board at a duly noticed public hearing on

October 17, 2019; and

WHEREAS, the Planning Board finds that the special conditions do not result from the

action or negligence of the applicant; and

WHEREAS, the Planning Board finds that granting the variance request will not confer upon

the applicant any special privileges denied by the Land development Regulations to other lands,

buildings, or structures in the same zoning district; and

WHEREAS, the Planning Board finds that literal interpretation of the provisions of the Land

Development Regulations would deprive the applicant of rights commonly enjoyed by other

properties in this same zoning district under the terms of this ordinance and would work unnecessary

and undue hardship on the applicant; and

WHEREAS, the Planning Board finds that the granting of the variance will be in harmony

with the general intent and purpose of the Land Development Regulations and that such variance will

not be injurious to the area involved or otherwise detrimental to the public interest or welfare; and

WHEREAS, the Planning Board finds that no nonconforming use of neighboring lands,

structures, or buildings in the same district, and no permitted use of lands, structures, or buildings in

other districts are grounds for the issuance of the requested variance; and

WHEREAS, the Planning Board finds that the applicant has demonstrated a "good neighbor

policy" by contacting or attempting to contact all noticed property owners who have objected to the

variance application, and by addressing the objections expressed by these neighbors.

NOW, THEREFORE BE IT RESOLVED by the Planning Board of the City of Key West,
