RE: Moro Management Inc. DBA Turtle Kraals Lease Renewal

#### **ACTION STATEMENT:**

This is a request to approve a lease renewal for Moro Management Inc. DBA Turtle Kraals located at 231 #1 Margaret Street.

#### BACKGROUND:

The current 20 year lease per City Resolution 97-345 expired March 31, 2016. The lease was previously assigned to Smithburg, Inc. per Resolution 03-088 and to the current tenant Moro Management per Resolution 12-344 in 2012. The city entered into lease negotiations pursuant to the public notice therefore in October, 2015, as attached. The proposed terms of the renewal before you are as follows:

Permitted Use: Operation of a restaurant containing 191 licensed seats with alcohol,

a retail area for logo apparel, gifts, souvenirs, retail sales of alcohol

and beer and no other purpose

Demised Premises: Whenever leases have expired the city has undertaken new surveys to

ensure that the demised premises are measured in accordance with industry standards. Turtle Kraals has been re-surveyed and totals 13,450 square feet. However the Tenant has elected to return some space to the city thereby reducing the new square footage for the lease

renewal to 12,387 which is comprised of:

| Main Building Areas      | 6816 |
|--------------------------|------|
| Covered Outdoor Dining   | 1794 |
| Covered waiting, entries | 262  |
| Open Air Dining          | 1621 |
| Storage                  | 1894 |

Square Footage for Common Area

Charges: 9732 square feet which reflects a 50% reduction for outdoor space

Term: Ten years effective April 1, 2016

Rate:

The City must charge a market rent for all leases on city owned property. Any under market rent must show a public benefit and be approved by a super majority of the City Commission, which does not apply in this case.

A local appraiser provided rent comparables of current rates for large restaurants, and the current restaurant rents on City owned property have been considered in an effort to establish a market rate.

The median rent on Duval is currently \$84.02 per square foot NNN The asking rent for the restaurant that is available at 320 Grinnell is \$51.00 per square foot NNN. The asking rent for new restaurant space on Caroline and William is \$42.00 per square foot NNN

The 2016 rate for city owned property with an estimated 1.5% CPI increase in rents for other Historic Seaport restaurant/bar tenants are as follows:

| Waterfront Brewery*    | 18,942 | \$21.32 |
|------------------------|--------|---------|
| Conch Republic Seafood | 14,919 | \$40.47 |
| Schooner Wharf         | 8,872  | \$37.41 |
| Half Shell             | 9.715  | \$29.63 |

<sup>\*</sup>does not include additional rent for improvements of \$9.00 psf

And finally Other City restaurant leases:

| El Meson de Pepe        | 10,669 | \$34.00 |
|-------------------------|--------|---------|
| Southernmost Beach Café | 5,000  | \$40.20 |

As all of the leases expire we have adjusted the rates to the current market. Turtle Kraal's rent currently is \$25.50 per square foot, a below market rate, that has to be increased upon renewal. Without taking the Duval Street rents or even a fraction thereof into consideration, the average rate per square foot for city restaurant tenants is \$33.84 per square foot.

Utilizing an average rent of \$33.84 per square foot and applying a reduced rate for storage, walkways, courtyard, entry and waiting areas a blended rate of \$30.00 per square foot represents an acceptable market rate and is comprised of:

\$33.84 per square foot for the main building areas \$26.40 per square foot for outdoor dining \$16.20 per square foot for the storage area, entries, courtyard, walkways

Increases:

Annual CPI increases in base rent

Percentage Rent:

6% of tenant's gross sales in excess of the percentage rent base amount which is determined by dividing the annual rent by 6%.

Use of the Margaret

Street Plaza:

6 times per year and if the events require a special event permit they will be limited to 5 events per year per city ordinance. The events must not close down the small parking lot in Margaret Street plaza and all events are subject to the City's approval.

**Tenant Repairs:** 

The Tenant shall be responsible for repairing and replacing the roof throughout the term of the lease and will immediately replace the Tower Bar flat roof/floor as called for the in Structural Engineering Report attached to the lease as Exhibit "E".

The Tenant also agrees to make all non-structural repairs throughout the term of the lease including but not limited to those identified in the building inspection report which is attached to the lease as Exhibit "F".

Landlord Repairs:

The Landlord shall be responsible for the repair and replacement of the structure of the building and to make all structural repairs identified in the building inspection report and structural engineering report.

The Landlord also agrees to provide at its sole cost and expense one handicapped lift to the second floor in accordance with the requirements of the Americans with Disabilities Act.

Security:

Security for the payment of rent will be in the form of a personal guaranty from Pasquale W. Croce and an irrevocable letter of credit in the amount equal to six (6) months of rent.

Additionally, pursuant to Sec. 2-871 of the Key West Code of Ordinances the award of a lease of city-owned property with annual rentals that will exceed \$100,000.00 and all extensions or renewals thereof will require a background check of persons awarded a lease. If any such person is found by the police department to have been convicted of a felony within the past five years or found to have been convicted of a public entity crime and is then listed on the convicted vendor list, as established in F.S. § 287.133, the proposed lease or sublease, concession or franchise agreement or any extension or renewal thereof with such person shall not be executed by the city or, if it has been executed, it shall be subject to revocation and be voidable by the city commission after notice and hearing.

Also, every person applying for a lease, a lease renewal or a sublease of city-owned property or a concession or franchise agreement shall

submit to the city, together with the application, a sworn disclosure statement that contains the following financial information for the immediately prior two calendar years: a statement attesting to the applicant's net worth, assets and liabilities, annual gross income, and primary source of such income. In addition to such disclosures, any business entity shall submit a copy of its organizational documents, together with a list of all current principals.

The city shall consider financial information for each applicant as a factor in making its award determination. The respective lease, sublease, concession or franchise agreement of any person who intentionally or knowingly supplies false or misleading information or who omits material information on the disclosure form under this section shall be subject to revocation and shall be voidable by the city commission after notice and a hearing.

#### FINANCIAL IMPACT:

The City has worked closely with the Tenant to downsize space to lower the rent by \$31,872. That space will be utilized by the city to re-locate the maintenance shop due to the reconstruction of the 908 Caroline. The base rent proposed is \$371,619.00 in year one of the lease and will be increased annually based upon the Consumer Price index. Reimbursement of operating expenses in year one of the lease will be approximately \$4.28 per square foot based on current estimates. For comparison purposes, the current lease and proposed lease basic economic terms are detailed here, as follows:

| Current Lease | Proposed Lease                                    |
|---------------|---|
| 9,630         | 12,387 (re-measured and<br>downsized from 13,450) |
| \$246,046     | \$371,619   |
| 5%            | 6%  |
| 9630          | 9732  |
| \$41,216.40   | \$41,652.96                                       |
|               | 9,630<br>\$246,046<br>5%<br>9630                  |

#### CONCLUSION:

This lease is one of the two remaining twenty year old leases in the Historic Seaport that will reflect a significant increase in rent to bring the rate up to market consistent with other City restaurant leases and to reflect the actual square footage occupied by the tenant pursuant to a new survey. The proposed terms of the lease renewal represent a market rate for the property and the rent will increase annually based upon the Consumers Price Index which will maintain the base rental rate as adjusted for inflation. The percentage rent will be increased from 5% to 6% which is also consistent with the other leases. The use will remain unchanged which supports the historic maritime flavor of the seaport. The Tenant has made significant improvements in the demised premises and will replace the roof at their cost in addition to other deferred maintenance as outlined in the building inspection report.

The Tenant is in agreement with the proposed lease terms and the City has received all of the information required including the background check, and organizational documents with the renewal of the Half Shell lease in April of 2015. The sworn disclosure has been updated to reflect the most current financial data. The information received meets the legal and financial requirements of the Code of Ordinances for lease renewals pursuant to Sec 2-871 and the lease is further securitized with an irrevocable letter of credit and personal guaranty. The Tenant is current with the rent and has an excellent payment history.

Turtle Kraals is certainly one of Key West's iconic restaurants and a mainstay of the Historic Seaport. The proposed lease renewal is a true landlord and tenant partnership that will ensure that the tradition continues for another decade.

  - (c) Commencing with the 1st day of the Term, TENANT agrees to pay to LANDLORD, as Additional Rent, TENANT'S Proportionate Share, as stated in Section 1.4, of Common Area Maintenance Charges in Monthly Installments as specified herein.

The Common Area Maintenance Charges are based on the Estimated Common Area Maintenance Charges attached hereto as **EXHIBIT "B"** These charges are only estimates. This limitation shall apply only to those services included in the base year's common area charges. Any services charged for that are not included in the base year's charges shall not be limited by this 5% cap nor shall they be included for determining this 5% cap.

Charges will not include any expenses incurred in the City Common Area Enhancement Plan Project No. KB-1103.

Monthly installments shall be due and payable on the 1st day of each calendar month during the Term. The installments set forth herein represent TENANT'S Proportionate Share of the estimated Common Area Maintenance Charges at the Commencement Date. Thereafter, LANDLORD shall, prior to the beginning of each calendar year, estimate the expected Common Area Maintenance Charges for the coming calendar year and TENANT'S Proportionate Share thereof, 1/12th of which shall constitute the Monthly Installments for such year; provided such installments shall never be lower than the installments specified herein. Within 90 days after the end of each year, LANDLORD shall calculate the actual Common Area Maintenance Charges paid or payable during the prior calendar year, and there shall be an adjustment between LANDLORD and TENANT so that LANDLORD shall receive the actual amount of TENANT'S annual Proportionate Share for said year. If TENANT'S Proportionate Share is less than the amount paid by TENANT during the prior year, LANDLORD shall, at its option, pay TENANT the difference between the amount received and the amount actually due, or credit such difference against TENANT'S next succeeding installments. If TENANT'S Proportionate Share is greater than the amount paid by TENANT during the prior year, TENANT shall pay LANDLORD the difference between the amount paid by TENANT and the amount actually due upon LANDLORD billing TENANT for same. LANDLORD agrees to keep. at its principal office, records relating to said Common Area Maintenance Charges. TENANT shall have the right to audit said records for the sole purpose of ascertaining the correctness of said Charges. Such audit shall be made during normal business hours; not unreasonably interfere with LANDLORD'S office operations; shall be performed by TENANT, TENANT'S chief financial officer, or a CPA selected by TENANT; shall not be made more often than once during each calendar year; and shall be limited to the preceding calendar year. If TENANT desires to audit said records as aforesaid, TENANT shall notify LANDLORD 30 days in advance thereof, commence said audit within 60 days of said notice, and once commenced, diligently complete the same. If any such audit shows the amount of such charges to TENANT was overstated, LANDLORD shall refund any such overcharge.

Commencing with the 1st day of the Term, TENANT agrees to pay to LANDLORD, as Additional Rent, TENANT''S Proportionate Share as stated in Section 1.4 of the Real Estate Tax Expense which shall include all real estate taxes and assessments both general and special imposed by federal, state or local governmental authority or any other taxing authority having jurisdiction over the Property against the land, buildings, store rooms, Common Areas and all other improvements within the Upland Property (excluding any public area which will not be taxed and excluding the Marina), together with any and all expenses incurred by LANDLORD in negotiations, appealing or contesting such taxes and assessments. Real Estate Tax Expense shall not include any additional charges or penalties incurred by LANDLORD due to late payment of Real Estate Taxes. In the event that any of the public area excluded later becomes taxable or is determined to be taxable then it shall be included for purposes of determining TENANT'S proportionate share.

TENANT'S Proportionate Share of Real Estate Taxes shall be paid as part of the Common Area Charges provided for herein. The 5% cap limitation provided for in Section 4.4(c) shall not be applicable to this particular common area charge.

Commencing with the 1st day of the Term, TENANT agrees to pay to LANDLORD, as Additional Rent, TENANT'S Proportionate Share as stated in Section 1.4, of the Insurance Expenses which shall include all insurance premiums incurred by the LANDLORD in insuring the Property including hazard and liability insurance for any and/or all buildings,

improvements and common areas.

TENANT'S Proportionate Share of Insurance expenses shall be paid as part of the Common Area Charges provided for herein. The 5% cap limitation provided for in Section 4.4(c) shall not be applicable to this particular common area charge.

If by the end of any such preceding month the Gross Sales in the Demised Premises during such Lease Year shall exceed the Percentage Base Rent Amount, TENANT shall pay to LANDLORD, at the time of delivery of said Statement, an amount equal to the Percentage Rent times the Gross Sales exceeding the Percentage Rent Base Amount, less the Percentage Rent, if any, previously paid by TENANT to LANDLORD during that Lease Year. The Agreement will also provide that in the event the mortgagee would take possession, this Lease would continue to be valid and honored by mortgagee as long as TENANT is not in default.

If the holder of any such security instrument shall succeed to the rights of LANDLORD under this Lease, then at the request of such party so succeeding to the LANDLORD'S rights and upon such successor LANDLORD'S written agreement to accept TENANT'S attornment, TENANT shall attorn to such successor LANDLORD and will execute such instruments as may be necessary or appropriate to evidence such attornment. Upon such attornment, this Lease shall continue in full force and effect as if it were a direct Lease between the successor LANDLORD and TENANT upon all the terms, conditions, and covenants as are set forth in this Lease and shall be applicable after such attornment.

TENANT shall deliver to LANDLORD or the holder of any such security instrument or auditors, or prospective purchaser or the owner of the fee, when requested by LANDLORD, a certificate to the effect that this Lease is in full force and that LANDLORD is not in default therein, or stating specifically any exceptions thereto. If the LANDLORD and the TENANT are unable to agree upon what division of the condemnation award, abatement of fixed rent, or other adjustments are just and equitable within thirty (30) days after such award has been made, then the matters in dispute shall, by appropriate proceedings, be submitted to a court having jurisdiction of the subject matter of such controversy for its decision and

determination of the matters in dispute. If the legal title to the entire Demised Premises be wholly taken by condemnation, or if the portion taken will prevent the Demised Premises from being used for the purpose the TENANT intends, this Lease shall be canceled.

(b) In general, it is the intent and agreement of the parties that upon condemnation, the parties hereto shall share in the condemnation award to the extent that they would be entitled to receive compensation and damages under the Florida law for the depreciation, damage, or destruction of their interests by the exercise of the right of eminent domain. In no event shall TENANT be permitted to receive a share based on the value of the land or buildings, and/or improvements.

#### 13. TENANT'S DEFAULT

- (a) If the TENANT shall fail to pay any of the taxes or assessments herein provided for; or in case of the sale of or forfeiture of the Demised Premises or any part thereof during the demised term for non-payment of any tax or assessment; or in case the TENANT shall fail to keep insured the building or improvements which are now or which may at any time hereafter be upon the Demised Premises, as herein provided for; or shall fail to spend insurance money, as herein provided for; or if the TENANT shall fail to perform any of the covenants of this Lease by it to be kept and performed; then, in any of such events, except in the event of nonpayment of rent, upon ten (10) business days written notice, within which the TENANT may cure, and upon its failure to cure, it shall and may be lawful for the LANDLORD, at its election, to declare the demised term ended and to reenter upon said Demised Premises, building, and improvements situated thereon, or any part hereof, either with or without process of law, the TENANT hereby waiving any demand for possession of the Demised Premises and any and all buildings and improvements then situated thereon. In the event of nonpayment of rent, LANDLORD may assert its right of notice and eviction pursuant to Chapter 83, Florida Statutes.

ADDITIONALLY, TENANT AGREES NOT TO DIRECTLY OR INDIRECTLY OPPOSE OR OTHERWISE DEFEND AGAINST THE LANDLORD'S EFFORT TO GAIN RELIEF FROM ANY AUTOMATIC STAY. THE LANDLORD SHALL BE ENTITLED AS AFORESAID TO THE LIFTING OF THE AUTOMATIC STAY WITHOUT THE NECESSITY OF AN EVIDENTIARY HEARING AND WITHOUT THE NECESSITY OR REQUIREMENT OF THE LANDLORD TO ESTABLISH OR PROVE THE VALUE OF THE LEASEHOLD, THE LACK OF

ADEQUATE PROTECTION OF HIS INTEREST IN THE LEASEHOLD, OR THE LACK OF EQUITY IN THE SAME. TENANT SPECIFICALLY AGREES AND ACKNOWLEDGES THAT THE LIFTING OF THE AUTOMATIC STAY HEREUNDER BY THE APPROPRIATE BANKRUPTCY COURT SHALL BE DEEMED TO BE "FOR CAUSE" PURSUANT TO SECTION 362(D) (1).

- Where the alleged default consists of some alleged violation of any term of this Lease, other than the payments of money, including rent, the LANDLORD may not declare this Lease in default until such violation shall have continued for ten (10) days after the LANDLORD shall have given the TENANT written notice of such violation, and TENANT shall not have undertaken, during said ten (10) day notice period, to cure said violation by vigorous and affirmative action, provided, however, that nothing herein contained shall be construed as precluding the LANDLORD from having such remedy as may be and become necessary in order to preserve the LANDLORD'S right and interest of the LANDLORD in the Demised Premises and in this Lease, even before the expiration of the grace or notice periods provided for in this paragraph, if, under particular circumstances then existing, the allowance of such grace or the giving of such notice would prejudice or endanger the rights and estate of the LANDLORD in this Lease and in the Demised Premises. With respect to the payment of the insurance premiums, the same must be paid at least fifteen (15) days prior to the time when the policies would lapse for the failure to pay premiums thereon, and evidence of such payment given to the LANDLORD without any written notice being required to be served upon the TENANT in connection therewith. Notwithstanding the foregoing, in the event the non-monetary default cannot be reasonably cured within ten (10) days, then TENANT shall not be in default of the Lease provided that TENANT continues to proceed in good faith and in a timely manner to cure the default.
- (e) All default and grace periods shall be deemed to run concurrently and not consecutively.
- (f) It is mutually covenanted and agreed that the various rights, powers, options, elections, privileges, and remedies of the LANDLORD contained in this Lease shall be construed as cumulative and no one of them shall be construed as being exclusive of the other or exclusive of any rights or priorities allowed by law.
- (g) It is further covenanted and agreed by and between the parties hereto that the right given to the LANDLORD in this Lease to collect the rent that may be due under the terms of this Lease by any proceeding under same, or the right to collect any additional rent, money, or payments due under the terms of this Lease by any proceedings under same, or the right given the LANDLORD to enforce any of the terms and provisions of this Lease shall not in any way affect the right of such LANDLORD to declare this Lease void and the terms ended hereby, as herein provided, when default is made in the payment of said rent or when default is made by the TENANT in any of the terms and provisions of this Lease.
- (h) In the event of litigation in connection with this Lease, the prevailing party shall be entitled to recover from the losing party as part of an order, judgment, or award that may be rendered, all of the prevailing party's costs and expenses of such litigation, including without limitation reasonable attorney's fees and costs, through and including all trial and appellate levels and post-judgment proceedings.
- 14. TENANT'S REPAIRS The TENANT covenants and agrees with the LANDLORD that during the continuance of this Lease, the TENANT shall be solely responsible for maintaining the Demised Premises in a clean, sanitary and safe condition in accordance with the laws of the State of Florida and in accordance with all directions, rules and regulations of all inspectors,

governmental departments and agencies having jurisdiction over the Demised Premises to ensure a good state of repair of the Demised Premises and all furnishings, including any special equipment brought, placed, or installed upon the Demised Premises by TENANT; nor will the TENANT suffer or permit any strip, waste, or neglect of any building or such personal property to be committed; and the TENANT will repair, replace, and renovate the said real and personal property as often as it may be necessary in order to keep the building or buildings and the personal property which is subject to the LANDLORD'S lien, in good repair and condition. In the event that improvements or repairs are contemplated prior to or at the beginning of or during TENANT'S occupancy, then this provision shall apply to the condition of the property as of the last repair, improvement or renovation. TENANT shall be responsible for repair or replacement of the HVAC and all air conditioning systems together with the plumbing and electrical system solely within the Demised Premises. With respect to plumbing, TENANT's obligation shall extend from the interior of the Demised Premises to the nearest manhole outside of the Premises. TENANT shall be responsible for repairing and replacing the roof throughout the term of the Lease, and no later than October 31, 2016 shall replace the Tower Bar flat roof/flooring as called for in the Structural Engineering Report Recommendation C, which is attached hereto and incorporated herein as Exhibit "E".

TENANT shall be responsible for non-structural repairs to the building and entry areas, storage areas, all dining, kitchen, lavatories and any other areas that comprise the Demised Premises. In addition to the foregoing, with the exception of the LANDLORD repairs identified herein, TENANT agrees to make all non-structural repairs including but not limited to those identified in in the Building Inspection Report, attached hereto and incorporated herein as Exhibit "F", at TENANT'S sole cost and expense and without unnecessary delay. Repairs will be made according to the schedule and time frame established therefore and all TENANT repairs set forth in Exhibit "F" will be completed within 270 days of the commencement of the lease term, unless such items are related to the roof, in which case such repairs will be completed during the roof replacement.

In the event that any unnecessary delay results in additional damage or repairs that become necessary due to the delay, whether or not the repairs become structural in nature, the TENANT shall be responsible for completing the additional repairs at TENANT'S sole cost and expense and without any further delay.

#### 14.1 Landlord Repairs

Notwithstanding anything contained herein to the contrary, LANDLORD shall be responsible for the repair and replacement of the structure of the building, including the walls, foundation, floor, support columns, and exterior of the building, as well as the seawall. LANDLORD agrees to the make repairs that may be necessary, as identified in Section IV. Recommendations, of the Structural Engineering Report as set forth in Exhibit "E" within 270 days of the commencement of the lease term.

Additionally, LANDLORD agrees to make the following structural repairs identified in the Building Inspection Report as set forth in Exhibit "F" at LANDLORD'S sole cost and expense, within 270 days of the commencement of the lease term based upon a mutually agreed upon schedule therefor:

- a. Exterior door replacements

Demised Premises or of the property including the repairs as described herein above (unless the same result from TENANT'S act, neglect, default or mode of operation, in which event LANDLORD shall make all such repairs, alterations or improvements at TENANT'S sole cost and expense), then the same shall be made by LANDLORD, at LANDLORD'S sole cost and expense, with reasonable dispatch, and should the making of such repairs, alterations and improvements cause any interference with TENANT'S use of the Demised Premises, such interference shall not relieve TENANT from the performance of its obligations hereunder. TENANT hereby agrees that LANDLORD shall not be liable for any damage, loss, liability or any other claim related to the Landlord Repairs, unless caused by negligence or willful misconduct of LANDLORD.

Any changes, additions or alterations to the Premises, the Property, the Building or the Shopping Center shall not (a) unreasonably impair access to, visibility of or frontage of the Premises; (b) materially affect the conduct of Tenant's customary business therein; or (c) unreasonably detract from Tenant's signage, create confusion regarding the business conducted in the Premises, or adversely affect the presentation of Tenant's exterior signage and storefront in a material way.

In the event of any such unreasonable interference that results in full or partial closure of TENANT'S business, loss of sales, inventory losses, employee layoffs and employers unemployment obligations due to closure, advertising losses, re-opening expenses in addition to Tenant's other rights and remedies under applicable law and this Lease, the Base Rent shall be equitably abated based on the degree of interference with Tenant's business. Additionally, consideration for rent abatement will include the length of notice period, public meetings, or other communication received from the LANDLORD to enable the TENANT to minimize losses due to the disruption.

#### 15. ALTERATIONS

TENANT agrees to replace the roof on the Demised Premises at TENANT's sole cost and expense. TENANT hereby agrees that such work shall be completed promptly, efficiently, competently and in a good and workmanlike manner by duly qualified or license persons or entities. If applicable, TENANT shall be responsible for meeting the requirements of the Americans with Disabilities Act in regard to the second floor space at TENANT'S sole cost and expense (except for the handicapped lift); however, TENANT shall not be considered in default as a result of this provision until such time as TENANT has failed to meet the requirements after written notice and reasonable opportunity and time to cure

Except for those items described in Exhibit F, TENANT shall not make any alterations, additions or improvements to the Demised Premises (whether or not the same may be structural in nature) without LANDLORD'S prior written consent. All alterations, additions, or improvements made to the Demised Premises, except movable furniture and equipment installed at TENANT'S expense, shall be the property of the LANDLORD and remain upon and be surrendered with the Demised Premises at the expiration of the term of this Lease; provided, however, that LANDLORD may require TENANT to remove any additions made at TENANT'S request to the Demised Premises and to repair any damage caused by such removal, and provide further, that if TENANT has not removed its property and equipment within ten (10) days after the expiration or termination of this Lease, LANDLORD may elect to retain the same as abandoned property.

In the event TENANT shall request LANDLORD'S permission, and LANDLORD shall permit TENANT to perform any alterations, additions, improvements or repairs to the Demised Premises,

TENANT shall (i) submit its plans and specifications to LANDLORD for its approval prior to the commencement of any construction, (ii) obtain all necessary permits prior to the commencement of any construction, (iii) only use contractors approved by LANDLORD, (iv) not permit any construction liens to be placed or remain on the Demised Premises. In the event a construction lien shall be filed against the Demised Premises as a result of work undertaken by TENANT, TENANT shall within ten (10) days of receiving notice of such lien, discharge the lien of record either by payment of the indebtedness to the lien claimant or by filing a bond as security therefore. All such work made by or on behalf of TENANT shall be performed in such manner as LANDLORD may designate and in accordance with all applicable laws and regulations of governmental authorities having jurisdiction over the same. All such work by TENANT or its contractors shall not interfere with, impede or delay any work by LANDLORD or its contractors, tenants or TENANT'S contractors. All contractors engaged by TENANT shall be licensed contractors, possessing good labor relations, and capable of performing quality workmanship.

**15.1 Landlord Alterations.** LANDLORD agrees to construct, at its sole cost and expense, the partition to divide the LANDLORD'S maintenance shop shown as Area P and TENANT'S liquor storage area shown as Area F on the attached Exhibit "A".

Further LANDLORD agrees to provide one handicapped lift to the second floor in accordance with the requirements of the Americans with Disabilities Act within 270 days of the commencement of the lease term.

#### 16. EQUIPMENT, FIXTURES AND SIGNS

- (a) All furnishings, fixtures, trade fixtures, equipment, and signs used on the Demised Premises by TENANT but provided by LANDLORD, will, at all times, be, and remain, the property of LANDLORD. Provided that this Lease is in good standing and subject to the LANDLORD'S lien for rent, TENANT will have the right to remove any furniture or fixtures provided by TENANT, or any part thereof, from the Demised Premises during the term of this Lease, at the expiration thereof, or within a reasonable time thereafter, provided, however, that TENANT, in so doing, does not cause any irreparable damage to the Demised Premises, and provided further, that TENANT will pay or reimburse LANDLORD for the reasonable expense of repairing damage caused by such removal.
- (b) All TENANT signs shall be approved by the LANDLORD and must meet all applicable codes. The exact location, style, text, and color(s) of the sign shall be agreed upon by the LANDLORD, in writing, prior to TENANT'S installation. LANDLORD'S approval shall not be unreasonably withheld or delayed.

#### 17. ADDITIONAL COVENANTS OF THE TENANT

- (a) The TENANT shall pay for all utilities associated with the use of the Demised Premises including, but not limited to, water, electricity, sewer, gas and waste, (if applicable). In the event that a separate bill for the Demised Premises is not available for one or more of the utility services required by the Demised Premises, then the TENANT shall pay a pro-rated share of that particular utility bill based on a calculation of the ratio of the square footage of the Demised Premises and the total square footage of the Premises covered by that particular utility bill. In the event that the TENANT shall be billed for a pro-rated share, the LANDLORD shall provide TENANT a utility bill each month and TENANT shall pay the amount due to LANDLORD within ten (10) days of its receipt.
- (b) The TENANT covenants and agrees with the LANDLORD that no damage or destruction to any building or improvement by fire, windstorm, or any other casualty shall be deemed to entitle the TENANT to surrender possession of the Demised Premises or to

terminate this Lease or to violate any of its provisions or to cause any abatement or rebate in the rent then due or thereafter becoming due under the terms hereof, unless otherwise specifically provided for herein. If the Lease be canceled for the TENANT'S default at any time while there remains outstanding any obligation from any insurance company to pay for the damage or any part thereof, then the claim against the insurance company shall, upon the cancellation of the within-Lease, be deemed immediately to become absolute and unconditional property of the LANDLORD. In the event of destruction to the Demised Premises by casualty or hazard, LANDLORD will have the option of canceling the Lease, or repairing the building, and in the event that the LANDLORD elects to repair the building, an appropriate abatement of rent will occur.

- (c) The TENANT shall be responsible for maintaining the HVAC and all air conditioning systems together with the plumbing and electrical system solely within the Demised Premises. With respect to the plumbing, TENANT'S obligation shall extend from the interior of the Demised Premises to the nearest manhole outside the Premises.
- (d) The TENANT shall be responsible for maintaining the roof, storage areas and outdoor dining areas that comprise the Demised Premises as well as painting and cleaning the exterior of the building.
- (e) The TENANT covenants and agrees with the LANDLORD that nothing in this Lease contained shall ever be construed as empowering the TENANT to encumber or cause the LANDLORD to encumber the title or interest of the LANDLORD.
- (f) The TENANT covenants and agrees with the LANDLORD that, at the termination of this Lease, the TENANT will peaceably and quietly deliver unto the LANDLORD, possession of the Demised Premises and all buildings and improvements located thereon. Notwithstanding the foregoing, TENANT shall be authorized to remove any equipment and trade fixtures so long as TENANT repairs any damage caused by such removal. However any fixtures or equipment that are permanently attached to the building including but not limited to hood exhaust/suppression systems, walk in coolers, freezers etc. shall remain unless the LANDLORD agrees, in writing, to the removal thereof.
- (g) The TENANT agrees not to make any internal changes or exterior changes or alterations without written approval of the LANDLORD. This provision does not apply to TENANT'S trade fixtures and/or other non-permanent fixtures on the interior of the Demised Premises.
- 18. LANDLORD'S RIGHT OF ENTRY The LANDLORD or its agents shall have the right to enter upon the Demised Premises at all reasonable times to examine the condition and use thereof, provided only that such right shall be exercised in such manner as not to interfere with the TENANT in the conduct of the TENANT'S business on said Demised Premises. If the said Demised Premises are damaged by fire, windstorm, or by any other casualty which caused the Demised Premises to be exposed to the elements, then the LANDLORD may enter upon the Demised Premises to make emergency repairs. LANDLORD may enter upon the Demised Premises to make renovations and repairs of a non-emergency nature by giving reasonable notice to the TENANT, and in such a manner as to minimize any inconvenience to both parties.
- 19. TENANT'S ACCEPTANCE The TENANT accepts the Demised Premises and improvements thereon in an as is condition and all improvements and additions shall be at the sole expense of the TENANT except as may be otherwise provided for in this Lease.
- **20. MISCELLANEOUS PROVISIONS** It is mutually covenanted and agreed by and between the parties as follows:

- (d) That no modification, release, discharge, or waiver of any provision hereof shall be of any force, effect, or value unless in writing and signed by the persons who are then LANDLORD and TENANT.

#### I. INTRODUCTION

The following is a structural condition report for the existing Turtle Kraals Tower Bar structure as a result of visual observations performed on all the visible/exposed building structural elements in order to identify any structural deficiencies or weakness in the tower bar structure. The following report summarizes the findings observed during a visual inspection of the building structure performed on November 16, 2015.

This investigation has been performed by means of visual observation of all exposed building structural elements, and the derived conclusions are to the best of my knowledge, belief and professional judgment.

### II. DESCRIPTION OF STRUCTURE

The building structure is a wood frame structure built in 1974, consisting of wood column posts and wood beam support configuration as the main support system, supporting a wood framed second floor/roof structure. The ground floor roof structure also serves as a floor deck for the upstairs bar. The roof/floor framing consists of two bays of 2x12 wood joists spaced at 12" o.c., supported by built up wood beams and wood columns. The roof/floor deck consists of plywood panels. The upstairs bar is a gazebo type free standing structure consisting of wood column posts supporting wood beams and a wood framed hip roof.

### III. VISUAL OBSERVATIONS

#### A. Wood Columns:

The majority of the wood columns were observed to be generally in good condition. Several column posts displayed an inadequate bearing configuration, where a gap exists between the bottom of the column and the concrete support, relying solely on the connecting metal bracket and bolts to sustain full gravity loads (See Pic.6). Several column base support brackets were observed to possess some level of corrosion, from mild to severe, due to exposure to moisture.

#### B. Wood Beams:

The wood support beams were observed to be in good condition, displaying no visible signs of distress or deterioration. The beams were observed to possess adequate support for both gravity and wind uplift loads (See Pics.2&3).

### C. Flat Roof/Roof Deck:

Large areas of the 2"x12" flat roof/roof deck floor joists and plywood deck appeared weathered, displaying discoloration due to moisture intrusion from a deteriorated roofing (See Pic. 4). At the time of inspection, a large area of the roof framing was still wet from a recent rainfall (See Pic. 5). No sagging or excessive deflections were observed.. The roof framing was observed to possess adequate support for both gravity and wind uplift loads.

## D. Gazebo Structure (2nd Level Bar)

The upstairs bar building structure consists of wood column posts supporting perimeter wood beams, supporting a wood framed hip roof structure (See Pic.9). The free standing gazebo structure: column posts, beams, roof framing, and roof sheathing appear to be in good condition. The roof rafters do not appear to possess adequate lateral and uplift load connections to the wood beams, at least not visible (See Pic. 12). Also no rafters to ridge connections were visible. One wood beam to column post connections was observed to be insufficient since the connection was placed at the beam end, possessing no edge distance (See Pic.10). The wood lateral bracing was observed to be in good condition, however at one corner bracing, the bottom connecting bolts is missing (See Pic.11).

#### E. Secondary Structures:

Secondary structures such as the roof canopy structure at the walkway at the rear of the building, was observed to possess deficiencies.

- Roof Canopy at the rear covered walkway: Both beam end supports were observed to possess inadequate, possessing insufficient gravity and wind uplift support capacity, thus requiring new support columns (See Pics.7&8).
- Exterior Cladding: an area of the exterior wood cladding at the building's north west corner was observed to have rot due to water intrusion (See Pic.1).

## IV. RECOMMENDATIONS

#### A. Wood Columns:

At the locations where the wood columns possess gaps at their base, wood shim plates should be placed within the gap space in order to create full bearing. Where the base plates/metal connectors have corroded, the plates should be replaced.

- B. Wood Beams: No action at this time.
- C. Flat Roof/Floor Framing:

In its current condition, the roof/floor wood framing does not pose a structural concern. However, the roofing should be repaired/replaced as soon as possible to eliminate the moisture intrusion into the roof/floor framing which will result eventually in the deterioration and weakening of the floor structure. In our opinion, the Duratile plywood deck waterproofing system by Duradek will be the best suitable deck waterproofing system for this application.

D. Gazebo Structure (2<sup>nd</sup> level bar):

The roof framing requires further investigation to assure that their connectors are not hidden, exploratory investigation will be required. In the event that no connectors are found, new connectors are to be installed. The new connections are to be designed to resist a combination of uplift and lateral loads due to wind. This may require the use of metal clip angles and metal straps at each wood rafters. The inadequate wood beam to post connection shown in pic.10 requires to be redesigned to achieve a connection possessing adequate edge distance; This may

require the replacement of the entire wood beam at that location. The missing bracing bolt shown in pic.11 requires to be installed.

E. Secondary Structures:

Rear walkway roof canopy: Beam end support columns are required to properly support the wood beams (See Pics. 7&8). The new wood columns should possess the same configuration as the existing remaining canopy support columns. Exterior Cladding: The areas deteriorated wood cladding/siding requires replacement (See Pic 1).

## V. ENGINEER'S OPINION OF COST

F. Wood Columns: \$1500.00

G. Wood Beams: N/A

H. Flat Roof/Floor (Roofing): \$10,000.00
 I. Gazebo Structure (2<sup>nd</sup> level bar): \$5500.00

J. Secondary Structures:

Rear walkway roof canopy: \$2000.00

Exterior Cladding: \$750.00
