Subject: DRC 12-17-2020 Urban Forestry Comments

2. Revocable License for 428 Greene Street: No comment.

3. Subdivision Waiver for 417 Elizabeth Rear: Do have a concern regarding making sure the new lot is large enough to build a structure without impacting the three large, protected trees in the southeast corner, especially the canopy and root systems. Where does the dripline of the tree canopy measure on the property?

Sincerely,

Karen
