

N. Roosevelt Crucial Corridor Survey - Key West

Thank you for participating in the N. Roosevelt Corridor Survey. This survey aims to capture your comments and concerns to update this crucial corridor for property owners, business owners, residents, and visitors alike. The City is reviewing all potential options and opportunities, such as increasing landscaping, increasing buffers between commercial and residential, incentivizing smaller and more inviting signage, placing parking behind commercial uses, etc.

The purpose of this survey is to record the public opinion on how to improve this crucial corridor and how to forge a path forward for the City and N. Roosevelt Blvd.

1. Which option would you like to see most (click all that apply)

Check all that apply.

High quality design and architectural standards for a Key West feel and charm

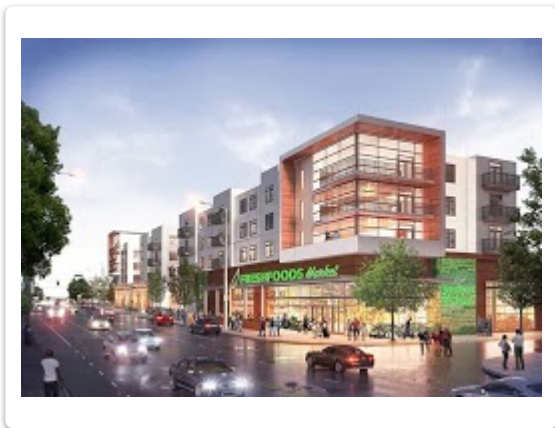

Increased landscaping, shade, and street trees

Inviting pedestrian-scale signage

Bike and pedestrian friendly designs

Mixed use residential and commercial structures

Future and current redevelopment placing parking behind the commercial use

Increasing buffer space between commercial and residential uses

Reducing the overall size of parking lots

Other: _____

2. Which of the improvement(s) listed above would you like the city to prioritize, why?

3. If the shopping plazas redeveloped to mixed use plazas, what changes would you like to see?

Mark only one oval.

- Apartments with water-front views of Garrison Bight, Salt Pond, etc.
- Walkable plazas with a mixture of live, work, and entertainment
- Covered parking to reduce surface parking lots
- Lush landscaping
- Slower traffic for safety walking and biking the corridor
- Sustainable features like water retention, green roofs, solar panels
