Hi Doug, I hope all is well with you and your family.

I believe you are aware of Mike Cash's passing, his wife Kim reached out to me to purchase her lease and inventory.

We have done a great job with Hammerheads being a premier shop on the waterfront and I would like to expand the store which would be beneficial to the Seaport as a whole.

Kim informs me she has another offer she is taking.

I just want to make sure one of my competitors is not wanting to open right on top of me.

Please keep this in mind when you consider the transferring of the lease.

Thank you, Rich
