Proposal for the repair of the 135' Smathers Beach tile wall, Key West

APPROXIMATE COSTS:

Tile and materials - \$1,000

Artist labor - \$4,500

Labor assistance - \$2,250

TOTAL: \$7,750

It could be much less depending upon the extent of the damage.

I will need to review the wall condition in person to know how expensive the repair will be.
