ELECTRICAL	Terrence Justice	4/6/2021	4/15/2021	4/7/2021	CORRECTIONS NEEDED		No indication on plans how accessory unit feeds from existing service. Load calc and simple one-line diagram indicating conduit, wire size and breaker needed. "Connect 100A subpanel to main house electrical" is not sufficient. Proposed conduit location and location of existing main panel should be indicated on site plan.
