

This will be an outdoor event and there will be a large amount of space for social distancing.

- **Physical (Social) Distancing**

- Tables will be set for attendees from different households to stay 6 feet (2 arm lengths) apart.
- Staff will remind attendees upon arrival to stay at least 6 feet away from people who do not live with them.
- Staff will discourage attendees from greeting others with physical contact (for example, handshakes). We will include this reminder on signs about physical distancing.

- **Masks**

- Encourage attendees ahead of the event to bring and use masks at the event.
- Rotary will have masks on-hand to provide to staff and attendees who do not bring their own.

- **Hand Hygiene**

- Require staff and attendees to wash their hands frequently (for example, before, during, and after taking tickets, or after touching garbage) with hand sanitizer that contains at least 60% alcohol.
- Rotary will supply hand sanitizer at each table.

- **Serving Food and Beverages**

- Rotary staff will use disposable gloves while preparing and serving food and drinks.
- Rotary will separate staff that are preparing food from those accepting and transacting with money.
