City of Key West

Case Number
CC2021-01258

Description: building w/o permit		Status: ACTIVE
Type: BUILDING ORDINANCE		Subtype:
Opened: 6/30/2021	Closed:	Last Action: Filw Up: 6/30/2021
Site Address: 204 EATON ST KEY WEST, FL 33040		
Site APN: 00006700-000603		Officer: STEPHANIE FLEURIDOR
Details: I received an email from Gerald Leggett about contractors working on the address 204 Eaton Street with out a permit. The email reads: Traveled to the subject address to perform an inspection at the request of the contractor. Upon arrival I observed the entire home is currently undergoing a renovation. The contractor was advised electrical, plumbing and mechanical permits are required. A stop work order was posted until required permits are obtained. Photos were attached in email and entered in FileBound.

HARC	Enid Torregrosa	7/12/2021	7/21/2021	7/12/2021	CORRECTIONS NEEDED	Hi Brandon: I am writing regarding your building permit application to Remove and replace metal roof with standing seam metal roof. Berridge Double Zee Lock Aluminum. As this building is within a HOA you are required to obtain Architectural Approval from the Community Association. The approval shall be part of this application. Can you please clarify if the current metal panels are 5V-Crimp? Our guidelines allow the replacement of same material. Standing seam metal roofing is not a material we use in the historic district, but 5 V-Crimp. I am including Matthew Greenblatt on this email, as he is the manager of the HOA. Please do not hesitate to contact us shall you have any questions. Enid
