### **Case # 11-615**

John McCoy & Constance Kara

215 Eneas Lane

Sec. 14-37 Building Permits, Required

Sec. 102-152 Certificate of Appropriateness

Sec. 102-158 Stop Work Order & Penalty

Officer Ginny Haller

Certified Service: 8-4-2011

Initial Hearing: 8-31-2011

### **In compliance, request dismissal**

A building permit and Certificate of Appropriateness are required prior to change out the door, stucco, installation of A/C units and installation of copper tubing. For working over a stop work order.
