Operational, Procedural and Logistical Considerations

- I. Staff Reports/Planning Board Hearing
 - a. Provide the duration of time the property owner requesting a variance and/or conditional use has owned the property
 - b. How to encourage the public to comment solely on issues related to a given property/project, rather than the character of the individual or entity who has requested the variance or conditional use
 - c. Under *Staff Analysis* - relocate variance criteria #5 to #1
- II. Use of Outside Consultants
